Joe Hoage  
Staff Attorney  
Indiana Gaming Commission

Dear Mr. Hoage:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes proposed by the Indiana Gaming Commission ("Commission") and contained in LSA Document 09-144. The proposed rule makes changes to 68 IAC 2-6 to clarify and eliminate obsolete language and practices regarding the testing of equipment and establishes guidelines for submitting gaming devices or equipment to an independent laboratory. The economic impact statement provided by the Commission indicates that there will be no economic impact imposed on small businesses as a result of this rule. Additionally, there will be no increased administrative or record keeping costs for small businesses as a result of this rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. As noted above, this rule will not impose any economic impact or administrative costs on any small business.

If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).
